RELIEF NURSES

Olive View-UCLA Medical Center's ORCHID Training Team

Nurses needed to train Olive View-UCLA Medical Center staff. Seeking qualified Relief Nurses to help support ORCHID training. These Relief Nurses will be trained by the Department of Health Services ORCHID trainers to be trainers to Olive View-UCLA staff.

What is ORCHID? Online Real-time Centralized Health Information Database (ORCHID) is the new electronic health record for the DHS system. It will create a powerful, centralized database of patient information across all facilities. With ORCHID, every DHS patient will have a single, integrated electronic health record (single source of truth). This record will be accessible by authorized staff across all facilities and all departments. ORCHID will help DHS to achieve an even higher level of patient care and health outcomes.

Required Qualifications:

- A license to practice as a Registered Nurse issued by the California Board of Registered Nursing
- Must be current and reachable on the Relief Nurse certification list or currently hold the item of Relief Nurse
- Must be able to commit to work 16-36 hours/week at OVMC

Desirable Qualifications

- Superior person-to-person communication skills
- Strong understanding of current policies and procedures
- Strong understanding of workflow in assigned areas
- Strong basic windows and mouse skills
- Good understanding of legacy applications
- Comfortable using new technology in front of others
- Positive attitude towards change
- Strong listening skills
- Strong presentation skills
- Ability to adapt training to different learning styles
- Ability to facilitate training and manage learning within the group being trained
